Why the Martlet and where does it come from?

The Martlet is a heraldic bird often depicted without feet, symbolizing continuous journey, aspiration, and the pursuit of higher ideals. Traditionally used in coats of arms, particularly in academic and noble contexts, it represents those who strive for excellence without settling or resting. Its lack of feet suggests it never lands, forever in motion, mirroring the ceaseless quest for knowledge, growth, and purpose. The Martlet's symbolism is especially significant in educational or institutional settings, where it inspires individuals to remain curious, resilient, and ever-committed to progress. As an emblem, it encourages ambition, intellectual pursuit, and the courage to forge onward. Martlet's appear in the arms of Worcester College at Oxford University, of Magdalene College, Pembroke College at Cambridge and McGill University in Montreal.

Message from the Head

Dear Saltus Community,

As we reflect on this incredible year at Saltus, I'm filled with pride in our students, faculty, and staff for their hard work, dedication, and spirit. Together, we've achieved so much.

We celebrated the graduation of the Class of 2025, launched the BC Curriculum as a BC Offshore School, and opened The Saltus Grove—a beautiful, nature-based classroom that connects our youngest learners at our Cavendish Campus to Bermuda's natural heritage.

We earned EcoSchools status, underscoring our commitment to sustainability, and our first Day of Giving was an inspiring show of generosity and unity.

Memorable trips took us around the world—from Washington, D.C, to Jasper, New York, and Bali. We cheered and celebrated our athletes at home and abroad, whether it was in basketball, football, volleyball, netball, or track and field. On the stage, our production of Macbeth stole the show, and our musicians of all ages shone in various performances throughout the year. Together, we marked our second Pink Shirt Day and celebrated belonging, and witnessed Watlington House win Secondary Sports Day for the second consecutive year.

There were too many highlights to name them all, but what stands out most is how we came together as a community. This yearbook captures so many of these wonderful moments. Thank you all for making the 2024-25 school year such a meaningful one.

Warmly,
Julie Rousseau

Welcome to the Primary Department!

Jeanne Bean
Director of Primary

Elizabeth Dowdell
Assistant Director of
Lower Primary

As we close another memorable year, I find myself reflecting on the many moments that have defined our Primary community—moments of learning, laughter, perseverance, and growth.

This year, we have continued to build on the strong foundation of our Saltus values: Belonging, Respect, Integrity, Courage, and Empathy. These values are not just words on our walls, but they are becoming more visible in the way our students care for one another, take on challenges, and express their ideas with confidence and kindness.

One of the highlights of the year was watching our students across grade levels explore and respond to the Core Competency of Communication. Whether through writing, speaking, presenting, or collaborating in class, they shared personal insights into how their communication skills have grown. It has been inspiring to see their awareness, confidence, and clarity develop throughout the year.

Our classrooms have been alive with curiosity and creativity. Through rich, engaging experiences, our students have explored new ideas, deepened their understanding, and discovered more about themselves as learners and as people.

We have encouraged independence, celebrated diverse perspectives, and helped students to recognize their strengths.

None of this would be possible without the incredible efforts of our teaching and support staff, the partnership of our parents, and the energy, determination, and joy that our students bring each day. I am proud of all that we have achieved together and inspired by what lies ahead.

To our students, I would like to thank you for being the heart of everything we do. Keep asking questions, keep being brave, and always remember the power of kindness.

Warm regards,
Jeanne Bean

Welcome to Secondary!

As we bring the 2024–25 school year to a close, I want to celebrate the exceptional spirit that defines Saltus. This year, our students demonstrated not just academic strength but creativity, courage, and community hallmarks of the Saltus experience.

This year, we proudly celebrated another Watlington House victory—Go Watlington! From impressive performances in Macbeth and spirited athletic victories to standout achievements in debating, both locally and internationally, our students have embraced every opportunity to shine. Whether it was dominating in BSSF championships, trying out new sports like pickleball, or representing Saltus on the world stage, they showed passion and perseverance in every pursuit.

We also marked strong academic results, particularly in Advanced Placement exams—a testament to the dedication of both our learners and our teachers. The classroom energy has been electric, matched only by the enthusiasm that radiates from every corner of our campuses.

To our graduates: thank you for your leadership and legacy. To our returning students: your energy continues to inspire. And to our faculty and staff: your commitment makes Saltus a place where excellence and belonging thrive.

May this yearbook be a cherished reminder of your achievements, your laughter, and the connections that make Saltus a truly special place.

With gratitude,

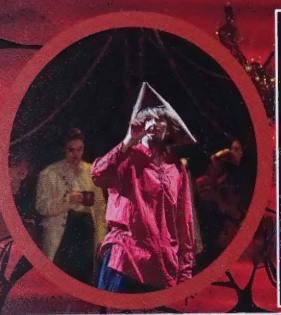
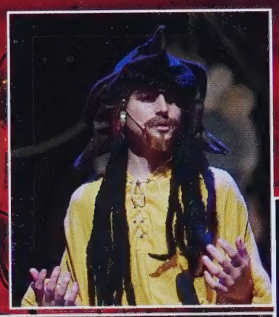
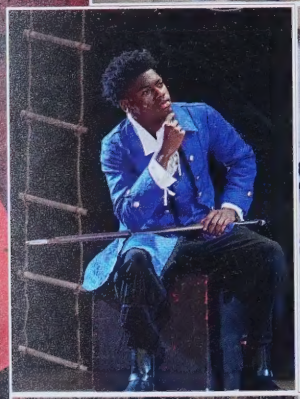
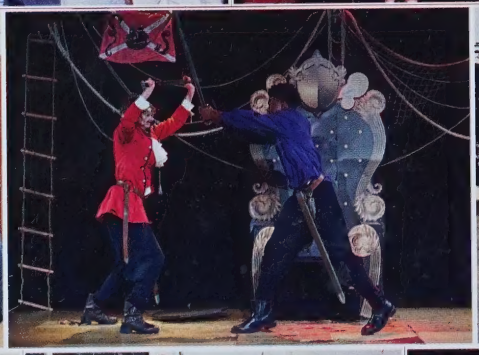
MACBETH

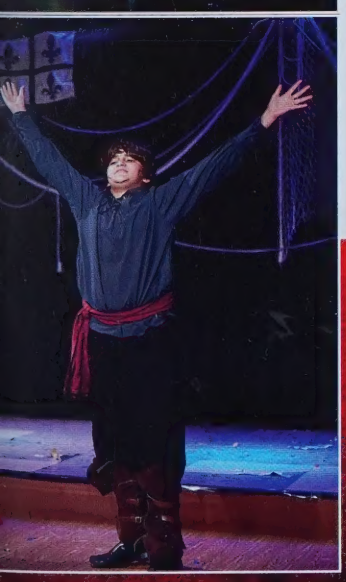
Saltus Alumni Hall
Thursday, 30th Jan.....
Friday, 31st Jan.....
Saturday, 1st Feb.....











Fair is foul, and foul is fair...

Students from Grade 6 - SGY2 (along with some amazing teacher cameos) led by Miss Bean, brought the Bard's famous play to life in the piratical world of 1692 Bermuda. Macbeth explores themes of ambition and power and audiences were captivated by words they could actually understand!

STEAM DAY

STEAM Day inspires creativity, critical thinking, and collaboration, empowering students to explore real-world problems through science, technology, and the arts.

Graduation marks not just an end, but a new beginning. We've navigated exams, and countless group projects, growing braver, speaking up, trying harder, and caring deeper along the way. From the Washington trip and Endeavor's adventures to the challenges of Duke of Edinburgh and the bittersweet Senior Sunrise and Sunset, our shared experiences have woven us together. Beyond the big events, it's the everyday moments assemblies, sports days, and even our legendary prank day that truly forged our bond. The inside jokes, shared glances, and collective triumphs have made us a family. What we're taking with us isn't just a diploma, but invaluable memories and friendships that will last a lifetime.

Love,
Keira Burchall (Head Prefect)

Retirement Celebrations

Debra McBeath, Junior Kindergarten Classroom Assistant

Deb joined Saltus in 1999 and dedicated 25 years to supporting and nurturing our youngest learners. Starting as a "matron," she evolved into a valued Classroom Assistant, most recently in Junior Kindergarten. Mid-career, Deb discovered a passion for education, earning a Child and Youth Studies degree while working full-time and raising a family. A beloved member of our community, Deb's Saltus ties span generations through her children and late husband, all proud alumni. Known for her kindness, loyalty, and warmth, Deb now looks forward to retirement adventures. She leaves behind a lasting legacy and will always be part of the Saltus family.

Jill Roberts, Grade 4 Teacher

Jill has dedicated over 14 years to Saltus, serving as a Primary Teacher, Key Stage Two Leader, Peer Mediation Coordinator, and Assessment Coordinator. She has made a lasting impact by nurturing student well-being, fostering strong learning foundations, and championing each child's growth. Her classroom has always been a supportive, engaging space where students thrive. Known for her dedication, humour, and storytelling, Jill has enriched both staff and student experiences. As she begins a new chapter, we thank her for her tireless commitment and celebrate her many contributions. Jill's legacy will continue to resonate throughout the Saltus community.

Carol Jack, Learning Strategist Teacher

Carol began her Saltus journey in 2010 as a Teaching Assistant, later becoming a Literacy Programme Assistant and, most recently, a Learning Strategist Teacher. Known for her reliability, care, and calm dedication, Carol has helped countless students thrive through personalized support and patient guidance. Her work has transformed struggling readers into confident learners–a testament to her belief in every child's potential. Always ready to help others, Carol's humility and gentle strength have touched many. With deep family ties to Saltus, her connection runs generations deep. We warmly thank Carol for her years of service and wish her joy in retirement.

Cathy Carreiro, Secondary School Receptionist

Cathy Carreiro's warmth, kindness, and generosity have made her the heart of Saltus since day one. More than our receptionist, she's been a comforting presence, a compassionate listener, and a steady source of support for students and staff alike. Her cheerful greetings and genuine care brightened every day. During stressful times, like exam periods, her calm and efficiency made all the difference. Cathy also gave generously to the SWAG committee, helping foster community spirit. Her selfless dedication and radiant spirit have touched countless lives. Cathy, your presence will be deeply missed and your legacy fondly remembered. Thank you, always.

With gratitude and respect

Looking Forward

In 2024 - 2025 Saltus embraced new opportunities to lead within our community. Saltus was officially awarded EcoSchools status! This recognizes our unwavering commitment to environmental responsibility and sustainability. The Saltus Grove further reflects our commitment to innovative, nature-based learning and nurturing a lifelong respect for the environment. Together we celebrate 'looking forward' and we welcome our new student leaders to help us achieve our dream of a more just and sustainable world!

2025-26 Middle Leaders

2025-26 Middle House Captains

The 2025 edition of the Martlet was printed by Jostens Yearbooks of Clarksville, TN.

The wonderful Yearbook committee created 148 full-colour pages on 100% gloss paper.

The Martlet was produced using the Jostens Yearbook Avenue. Without this technology, The Martlet would still be created by hand.

This year The Martlet would like to think Miss Bean, Jordan Mello and Allayna Fox for the layout content and photographs featured in the yearbook, as well as the rest of the yearbook team and photographers; Keira Burchall, Alyssa Walsh, Sam Mello, Khyii Perinchief, Oca-Ray Brown, Nahla Burgess and Isis Tucker for their ongoing commitment and hard work.

It is due to the efforts of the yearbook committee, along with the efforts of the yearbook prefects and Miss. Bean, that this book exists. For many of us, the yearbook was a challenge this year, adapting and learning how to use the program! We hope that you enjoy the yearbook and create memories while you're here, because we did, and even got to have some placed in the yearbook.

Thank you!

Secondary yearbook prefects 2025

From the Yearbook Advisor

A Yearbook is not just about the photos...it's about the memories we shared. Each page is a snapshot of a community learning, growing, and occasionally sprinting down the hallway to avoid being late one more time. Whether you were centre stage, on the sidelines, or somewhere in between, you mattered. Thank you for showing up, for laughing loud, and for being part of the Saltus family this year. To my truly incredible Yearbook team, you brought the heart and I could not have done this without your dedication and insight. A special thanks to Jordan for keeping us all in line, and Allayna for your thoughtful commitment to the finer details.

Now, if you're wondering where that fabulous pic of you is... so are we!
Here are some tips on how to (actually) get your face in next year's Yearbook:

* Walk slowly past the camera. Very slowly. Wave if you're bold.
* Audition for SOMETHING, even if you can only play Tree #3!
* Start a club. Join a club. Take pics of your club. Share them.
* Befriend a campus chicken. Give it a name. Take joint selfies (safely!)
* Take a risk, be courageous and be noticed (and remind your teacher to upload the photos to the yearbook folder!!!)
* Win something. Or just hold a trophy and look convincing.
* Be present. Be kind. Be a little weird. That's what makes you unforgettable.

Keep showing up with heart and humour—Saltus wouldn't be the same without YOU!

See you on the next page! Miss Bean xx
